Subject Our enclosed bid for disposal of your PCB
waste products

Dear Mr Koerwitz

Bids received from disposal companies should be examined carefully Some of the questions to be asked about each bidder are

- * Is the disposer properly insured for my protection?
- * What is the reputation and past history of the disposer?
- * Have I received a CERTIFICATE OF DESTRUCTION from past disposers?
- * Is a PERFORMANCE BOND available to ensure proper movement and destruction of my PCB waste?
- * Is the bid price the most important consideration?

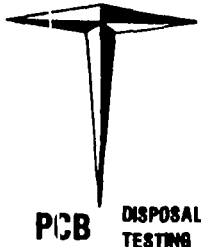

If questions arise after reading our bid, we would appreciate the opportunity to respond Thank you for the opportunity to serve you

Sincerely,
